

VETERINARY SURGICAL TECHNICIANS (F/T, P/T, per diem) NEEDED!

Want to become a part of one of New England's most respected and effective animal welfare organizations? The Merrimack River Feline Rescue Society is hiring. We're looking for passionate, skilled and people-friendly professionals to join the team that's helped over 100,000 cats since our founding in 1992. Our goal is to make every interaction with our organization a positive experience for the cats and cat guardians who rely on us for spay/neuter, adoption, veterinary assistance, and other services. We love what we do...and we think you'll love working with us.

Job Description: Catmobile Veterinary Surgical Technician

Overview: The Catmobile Veterinary Surgical Technician is responsible for assisting the Catmobile veterinarian in providing high-quality, low-cost, high-volume spay/neuter services to owned, shelter, and feral/stray cats on our mobile clinic, which travels throughout eastern Massachusetts and into southern New Hampshire.

Reports to: Catmobile Veterinarian

Primary Responsibilities:

- Drive Catmobile to each day's location.
- Greet clients and perform intake procedures.
- Assist veterinarian with intake exams.
- Draw up vaccines and drugs for surgery; assist veterinarian with administering anesthesia.
- Prep cats for surgery, including intubation.
- Monitor cats while under anesthesia and through recovery.
- Prepare veterinary records and all client take-home paperwork.
- Maintain stock of all supplies.
- Perform discharge with veterinarian at the end of the day.
- Clean Catmobile at the end of each surgery day.
- Provide daily upkeep of Catmobile, including gas and other fluid fill-ups.
- Arrange for routine and non-routine maintenance for the Catmobile.
- Serve as a representative of the MRFRS and the Catmobile program to the general public.
- Other duties as assigned.

Qualifications

- Valid driver's license and clean driving record; comfortable driving Catmobile
- Outstanding customer service skills and a desire to work with the general public
- Veterinary surgical experience, ideally in a high-volume setting
- Cat handling experience, including fearful and fractious cats
- Ability to work in fast-paced environment and in tight quarters.
- Ability to stand for long periods of time
- Must be able to bend down and lift up to 40 lbs regularly, and 65 lbs occasionally

To apply, please send a letter of interest, resume, and references to Liz Pease at hr@mrfrs.org. No phone calls please.
