

About MRFRS and our 2024 Fur Ball Gala & Auction

Since our inception over 30 years ago, Merrimack River Feline Rescue Society has made a difference in the lives of more than 143,000 felines through our programs and services:

- Our Catmobile, provides access to low-cost spay/neuter. We just reached our 75,000th surgery!
- Adoption Center/Shelter (houses stray and domestic surrenders).
- Trap-Neuter-Return support for feral colonies to reduce feline overpopulation.
- FARS (Feline Assistance Resources and Support) offers subsidized veterinary care for low-income cat owners who live in the Massachusetts area.
- Chronic Care Support for cats with Feline Leukemia and other chronic illnesses.
- Low-cost rabies and microchipping clinics for cats and dogs.
- Captain Courageous Fund supports sick and injured feral cats.

We hope you will consider sponsoring Fur Ball in 2024. 35% of our operating budget comes from fundraising; as the largest event of the year the Fur Ball Gala & Auction is critical to funding our programs.

We know you receive so many requests like this each year, and we would be honored if you choose to help us improve the lives of cats and the people who care for them. We couldn't do the work we do without support from generous people and companies like yours!

2024 Fur Ball Opportunities for Sponsorship

**Presenting
 Fur Ball Sponsor**
 (only one available)
\$10,000

**Top Cat
 Sponsor**
\$5,000

**Lion
 Sponsor**
\$2,500

YOUR IMPACT:

Your sponsorship could provide funding to care for 60 stray or surrendered cats/kittens in need including spay/neuter and immunizations to get them ready for adoption by a loving family.

YOUR IMPACT:

Your sponsorship could help MRFRS reduce the spay/neuter fees for 50 families who will come to the Catmobile for surgery for their cat.

YOUR IMPACT:

Your sponsorship could help MRFRS provide financial assistance to several families who will need help providing veterinary care for their feline family member.
